

# ALTIUM HARDWARE WARRANTY

**The Altium hardware (the "Hardware") that you have purchased is sold to you, the customer ("You"), pursuant to the following warranty:**

Hardware that is unopened and in original condition and packaging may be returned to Altium during the first thirty (30) days after receipt by You for a full refund of the purchase price. The Hardware is warranted to perform in accordance with its material specifications during the first ninety (90) days after receipt by You. If You believe that a material error in the Hardware has occurred during said warranty period, You are required to notify Altium within such period. Your remedy for failure of any such Hardware within said warranty period shall be limited to, at Altium's discretion, either error correction or replacement of the Hardware, or if neither is in Altium's opinion commercially feasible a refund of the initial purchase price of the Hardware will be provided to You by Altium. In the event that Hardware should fail to perform in accordance with its specifications after said ninety (90) day period, Altium shall have no obligation to replace or refund in connection therewith. The warranty set forth above shall in no event apply where any damage or malfunction associated with the Hardware is due to: a) improper, unreasonable or unintended use thereof; b) mishandling thereof; c) modification or alteration thereof; d) neglect, unauthorized repair; or e) use of the Hardware in combination with any third-party product(s) or product(s) developed by You. Further, said warranty shall not apply to any beta or engineering samples of any Hardware, all of which items are provided to You on an "as is" basis without warranty of any kind.

Where permitted by applicable law, Altium does not warrant that the functions of any Hardware will meet Your requirements, be fit for Your intended purposes, that the operation of the Hardware will be uninterrupted or error free, or that defects in the Hardware will be corrected. Furthermore, Altium does not warrant or make any representations regarding Your use or the results of Your use of the Hardware in terms of correctness, accuracy, liability or otherwise. Altium makes no warranties, express or implied, as to the Hardware other than those set forth herein. Any warranty exclusions or other terms and conditions herein are not meant to in any way conflict with or modify Your rights under applicable law.

In the event that You have obtained authorization from Altium to return any defective Hardware, You must be sure to obtain a Return Material Authorization ("RMA") code from Altium and reference the same in connection with the returned Hardware.
